Dear Sir:

With regard to the Office Action dated 12/19/2005, please consider the following petition for revival of the above-identified patent application, which has presumably been abandoned for failure to respond before the statutory 6 month deadline, 6/19/2006.

Recently, applicant has unexpectedly taken notice that the statutory period for response has expired. Applicant hereby petitions to revive the above-identified application under 37 CFR 1.137.

Included with this petition letter is a 37 CFR 1.137 the required reply to the outstanding Office action. Additionally, the Commissioner is hereby authorized to charge the petition fee as set forth in §1.17(m), or any required fees, not included with this paper, and or credit any overpayment, directly to the credit card indicated in the attached Credit Card Payment form PTO-2038.

The docket of the undersigned was in error and indicated the 6 month deadline as 7/19/06 instead of 6/19/06. Once notice was recently taken of the error, diligent effort to prepare and file the present response and petition was taken. Thus, the entire delay in filing this grantable petition pursuant to 37 CFR 1.137, and the included office action response, from the due date for the reply until the filing of was completely unintentional.

Applicant understands that no terminal disclaimer is actually required with this letter.

Applicant believes that all conditions for revival under 37 CFR 1.137 have been met, and respectfully requests that the above-identified application be revived and the enclosed office action response be entered.

Respectfully submitted,
